

Electronic Systems Fundamentals Certificate (4220)

<https://catalog.lakelandcc.edu/degree-certificate-programs/elec/4220/>

This program is designed to be completed in 32 weeks (2 semesters).

This program will cost approximately \$2,918 (in-state tuition, fees and books and supplies) if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Because fewer than 10 students completed this program within normal time, to preserve confidentiality of the students, the typical graduate debt a student leaves Lakeland with cannot be disclosed at this time.

Program meets licensure requirements in the following states: Ohio
