Mandated Reporter Statement:

All persons affiliated with the College are considered responsible employees pursuant to Title IX. As a non-exhaustive list, any College executive or administrative officer, dean, department chair, director, manager, coordinator, supervisor, faculty member, part-time faculty member; coach; or human resources professional employee who becomes aware of information that would lead a reasonable person to believe that sexual discrimination and/or sexual harassment has occurred must notify the Title IX Coordinator as soon as possible, but in any event, within, five (5) working days after becoming aware of the information. The only College employees not required to report Title IX violations are those confidential employees who possess a license that provides for privileged or confidential communications.
