Fall Enrollment Trends
2009 to 2018

Office of Institutional Research

October 2018

Highlights of Enrollment Trends

- Lakeland's headcount decreased 9.3% from 2017, with 6,865 students enrolled for Fall 2018 *(slide 4)*. FTE experienced a decrease of 9.6%.

- There were enrollment decreases in all "New" student categories, with the largest of 13.7% in the "Delayed from High School" category. The smallest decrease was 1.1% in the "New – In High School" category (largely due to our CCP enrollment) *(slide 9)*.

- Continuing student enrollment and Returning student enrollment also had substantial decreases of 10.9% and 9.9% *(slides 8)*.

- The seventeen and under age group saw a small enrollment decrease of 2.6%. All other age groups declined substantially *(slide 6)*.

- Female full-time student enrollment saw a smaller decrease of 3.9%, while all other categories decreased substantially. The largest decrease of 13.1% was in part-time male enrollment (slide 11).

- The percent of enrollment in online sections and credit hours saw smaller decreases of 3.9% and 2.1%. *(slides 13 & 14)*. Over the last ten years, the percent of our students taking at least one online class has increased from 25.1% to 41.3% (slide 14) and the percent of credit hours taken online has increased from 12.8% to 23.7% *(slide 14)*.

- PSEO/CCP student enrollment has grown from 621 PSEO students in Fall 2009 to 1,454 CCP students in Fall 2018 *(slide 16)*.

- Lakeland's fall enrollment decreased this year, as did most of our peer institutions *(slide 18)*.
