

Scholarship Opportunities at Lakeland

Lakeland Community College is fortunate to be able to offer a wide variety of scholarships through The Lakeland Foundation. You only need to complete one online application each financial aid award year.

In order to apply for scholarships at Lakeland, you must be an active student, meaning you have submitted an admissions application and you have received your Lakeland ID number and your Lakeland email address.

The majority of Lakeland's scholarships require completion of the Free Application for Federal Student Aid (FAFSA). It is strongly encouraged that, in addition to the scholarship application, the FAFSA should be completed at studentaid.gov/fafsa for you to be considered for all Lakeland scholarships, federal and state financial aid.

NOTE: In addition to the scholarship application, international students must also submit an International Student Supplemental Scholarship Form (available from Lakeland's Financial Aid Office).

To apply for scholarships:

1. Log in to **myLakeland**.
2. Click the "Student" tab.
3. Under myRECORDS, click on "Scholarship Center."

Your account will remain available for as long as you are an active student, but you will be required to update your information once each academic year.

Scholarship Award Status
Completing the application does not guarantee you will be awarded a Lakeland scholarship. If you do receive a scholarship, the Financial Aid Office will let you know through your Lakeland student email or you can check your myLakeland account under Financial Aid >> My Award Information.

6. Complete the questions presented on the form. Required questions are marked with an asterisk (*).
